HOW INFORMATION ABOUT YOU WILL BE USED

In law, we are allowed to use personal information, including sharing it outside the salon, only if we have a proper reason to do so, for example:

- To fulfil a contract with you ie to provide the service or treatment you have requested and to communicate with you about your appointments
- When it is in our legitimate interest ie there is a business or commercial reason to do so, unless this is outweighed by your rights or interests
- When you consent to it: we will always ask for your consent to hold and use health and medical information.

We will therefore share your information with

- Providers of our salon software system [Ovatu & Fresha]
- Mailing houses [Wix & Ovatu / Fresha , we do not use a different company for email communications]
- Suppliers of our website [Wix]

We have rigorous data protection and security policies in place with all our suppliers.

Some of the people working in our salon are self-employed. Where software systems and reception facilities are shared, our self-employed colleagues will have access to your information. If you communicate with staff members outside of the salon using personal details you will not be covered under the salons policies.

We will not share your information with any other third party without your consent except to help prevent fraud, or if required to do so by law.

MARKETING

Information about unsuccessful job applicants will be deleted after four months.
(six months if we have a period of government enforced lockdown)
